**26 September – 14 November 2015**

**Opening Night:**  
**Saturday 26th September | 6-8pm**

Please join us to celebrate the opening of Petra's's new show.

### Artist Statement:

My paintings have a traditional background, long before I was able to pick up a brush; I was influenced by my father's work. His paintings were mostly copies of old Dutch masters. I love the low horizons and dramatic skies of the Dutch painters. It is important to me to depict light in most of my work. Traditional still life paintings with a nod to past masters. Traditional landscapes with a slightly surreal and edgy drama.

*Still life with striped fabrics – 2015, Oil on panel,  
40 x 61 cm*
