ABOUT THE ARTIST.... GO SUGA

Solo Show : TIME TRAVELLER

ARTIST STATEMENT : TIME TRAVELLER

Lord Hades and his soldiers have risen from the underground world. They have used their weapons to cover the planet earth with eternal darkness. Now the time traveller is sent back in time to examine what caused such destruction and if possible prevent it from happening and save the world!

My new body of works are all paintings of the view through the eye of the time traveller. Like a

comic strip, each painting is a scene that leads to another. Each painting will have a story-line.
