'UNDER THE STARS' A SOLO SHOW BY GO SUGA

Focusing on subjects close to his heart – such as the ocean, surf, sun and the environment, Go Suga has constructed beautiful images using bold colours and simple shapes in his new show – 'Under The Stars'

ARTIST STATEMENT

This time around there is no storyline.

I've been breaking down my style even more to see how simple I can paint with it still being interesting to me.

I took out all the gradients, shadows, small details etc and focused on how to create interesting paintings just by using composition, bold shapes and colours.

For this show I painted subject matters that I like which mainly comes from the Gold Coast – surf, sun, water, joy and all that good stuff.

Then I realized I had put a lot of stars into the design so the title 'Under The Stars' came into being.
