### **Go Suga - Under The Stars**

Born in Hiroshima, Japan Go Suga migrated to Australia and settled on the Gold Coast in Queensland 1990. His talent for drawing has been a lifelong passion with a mystical seamless blending of cultures.

Go's work draws upon and reflects his personal views on a wide range of influences including social, political and cultural issues, blended with a rare beauty and mystique with the vibrant use of colour, shape and movement to create a truly unique and entrancing artwork.

Focusing on subjects close to his heart, such as the ocean, surf, sun and the environment, Go Suga has constructed beautiful images using bold colours and simple shapes for his new show at 19 Karen - Under The Stars.

## Jasmine Mansbridge - Your Turn For The Moon

Jasmine Mansbridge's clean, structured geometric works seem to be in direct contrast to her beautiful but chaotic upbringing as she travelled the country as the daughter of a Minister and a musician.

Her work is best described as the meeting of exploration and refinement. Jasmine has taken her art to a number of mediums – sculpture, large-scale public works and intimate paintings for private collection. She is not afraid to venture outside an established comfort zone. Whatever her choice of

art form, Mansbridge brings a refined and meticulous hand to the work; her deliberation and contemplation are evident at all times.

In her new body of work, Jasmine responds to the idea of the passing of time, exploring the concept of what time actually is. She uses geometric, architectural devices, portals and stairs as metaphors to tell her own stories about time.
